

Nutrition & Exercise Physiology

Seminar Series Fall 2021 Schedule

Date	Speaker	Lecture Title/Location
Sept. 2	Bill Campbell, PhD University of South Florida	<i>Research outputs and building a research culture in a program with a terminal master's degree.</i> https://umsystem.zoom.us/j/92493140179
Sept 9	Ayesha Saleem, PhD Children's Hospital Research Institute of Manitoba	<i>Extracellular vesicles and the regulation of metabolic capacity</i> https://umsystem.zoom.us/j/96253260622
Sept. 16	Kelly Higgins, PhD USDA	<i>A discussion on nutrition science careers outside of academia</i> https://umsystem.zoom.us/j/92873359284
Sept. 23	Brian Bennett, PhD USDA	<i>Genetic background shapes phenotypic response to diet in the collaborative cross</i> https://umsystem.zoom.us/j/93434928556
Sept. 30	Justine Mucinski University of Missouri	<i>Lifestyle treatment-induced improvements in nonalcoholic steatohepatitis (NASH). Acuff Auditorium</i>
Oct. 7	Bryan Bergman, PhD University of Colorado Anschutz Medical Campus	<i>Intermuscular adipose tissue – A novel adipose depot impacting muscle strength, size, and insulin sensitivity in humans. Acuff Auditorium</i>
Oct. 14	Prachi Singh, PhD Pennington Biomedical Research Center, LSU	<i>Fat Talks: Location Matters</i> https://umsystem.zoom.us/j/92600966449
Oct. 21	Bobbi Langkamp-Henken, PhD, RD University of Florida	<i>Prebiotics and probiotics: Measuring health outcomes in healthy individuals</i> https://umsystem.zoom.us/j/95979990599
Oct. 28	Constanza Cortes, PhD University of Alabama Birmingham	<i>Geroprotection on the treadmill: Exercise, CNS aging and Alzheimer's disease.</i> https://umsystem.zoom.us/j/94047658235
Nov. 11	Jia Li, PhD University of Alabama at Birmingham	<i>In sickness and in health: Nutritional considerations for individuals with spinal cord injury.</i> https://umsystem.zoom.us/j/91071591539
Nov. 18	Austin Robinson, PhD Auburn University	<i>The influence of dietary salt loading and race on cardiorenal function in healthy adults. Acuff Auditorium</i>
Dec. 2	Jeffrey Horowitz, PhD University of Michigan	<i>Effects of exercise on fatty acid metabolism in obesity: Making a fitter fat. Acuff Auditorium</i>

Seminars are held on Thursdays from 4:00 – 5:00 PM. Seminars with a Zoom link will be available only on Zoom. For more information, contact Ben Sauro, Nutrition and Exercise Physiology, (573) 882-4288 or saurob@Missouri.edu
